

# OKLAHOMA SOCIETY OF PHYSIOLOGISTS OSP

## MEMORANDUM

Date: April 28, 2007  
To: Members – Oklahoma Society of Physiologists  
From: Al Rouch, OSP Vice President  
Re: 26<sup>th</sup> Annual Meeting!!!!!!

---

This is the official notice for our upcoming meeting which will be held on **June 8, 2007 at the Northeastern University campus in Tahlequah.**

We plan to start the meeting at 10:00 am to give everyone time to get there.

Plans have been underway for a great meeting where we will take a look back and a look forward at physiological education.

We'll have a short oral-poster session where poster presenters will give a 2-3 minute talk on their poster before the break for poster viewing.

Please plan to attend and sign up for either a poster or oral presentation as soon as possible. We need all presentation titles for the agenda.

Please fill out the form even if you're not presenting so we can get an estimate of the number of attendees.

We'll send you the final agenda with specific driving directions soon.

Hope to see you there!!
