## PHYSIOLOGY SECTION

VOL. 5

NEWSLETTER

DEC. 1993

---

### KNOW YOUR EEP STEERING COMMITTEE

It is important that you become familiar with this committee as they must be accountable to the membership and because elections will occur before the EXP. BIOLOGY 94 MEETING for replacements for the Chair (E. Nadel) and a Councilor (J. Greenleaf). Remember, only an individual who has previously served one term on the Steering Committee can be nominated for the Chairperson position. This means F. Booth, J. Dempsey, M. Fregly, C. Gisolfi, J. Greenleaf, Kluger, P. Raven, and C. Tipton are eligible. The slate will be selected by the Steering Committee so send your suggestions to Ethan. Besides Nadel and Greenleaf, current members include K. Baldwin (96), J. Boulant (96), S. Fortney (96), J. Stitt (96), R. Terjung (95) and C. Tipton (96) who is Secretary-Treasurer, PAC representative, and Editor of the NEWSLETTER. R. Hoyt (96) is the representative of the Hypoxia Group Subsection.

### NOMINATIONS FOR COUNCIL

If members act quickly, their choices of EEP Section Members deserving of nomination for Council should be sent to E. Nadel for Steering Committee consideration before the APS Nomination Committee meets in December. Last year was the first for having Sections be a part of the process and we would like other members besides B. Horwitz represent EEP as well as APS.

### SUBMISSIONS OF PROPOSALS FOR APS SPECIALTY CONFERENCES

Although the first deadline has passed, we have one more opportunity to submit proposals to be considered at the EXPERIMENTAL BIOLOGY 94 Meeting. Proposers should be considering programs for 1995 and beyond. In addition to the speakers and their topics, include rationale, location, and costs, and a brief profile of the speakers as the individuals evaluating the proposals are making their decisions on the information provided. Send proposals to C. Tipton before FEBRUARY 1, and AUGUST 15, 1994. The appropriate forms can be obtained from Ms. Linda Buckler at the APS office.

### EXP. BIOLOGY 1994 MEETING & BANQUET

According to our Chair, the business meeting, cocktail hour, and western banquet will be held at the Anaheim Convention Center on TUESDAY, APRIL 26, 1994 at 6:30 p.m. The cost will be \$ 30 for members-quests and \$20 for students. Agenda items should be sent to E. Nadel before MARCH 15, 1994. Encourage students, post doctoral fellows and millionaires to attend as we need younger individuals and sponsors to help make the Section a more dynamic and active group. In addition to hearing more Nadel jokes which are slowly becoming classics, we will announce the recipients of the Senior Investigator and Young Investigator Awards. The after dinner speaker will be the E. F. ADOLPH DISTINGUISHED LECTURER.
