TEACHING SECTION DINNER AT IUPS/EB2005

The annual Teaching Section dinner will take place on Sunday April 3 at 7:00 pm in the Silverado Room of the Napa Valley Grille, Horton Plaza between E and F Streets in San Diego. Pre-registration required. Payment must be received by March 28. The ticket price is \$50 and \$30 for students and international guests. There will be drinks and Hors D'oeuvre's at 7:00 PM and dinner will be around 7:30 PM. Seafood, chicken and vegetarian options are included for all courses. There will be a cash bar with drinks costing \$5.00 each. Send your payment as a check made out to the American Physiological Society to the Events and Awards Chair, Dr. Daniel E. Lemons, Dean, The City College Center for Worker Education, 99 Hudson St., 7th Floor, New York, NY 10013, phone 212.925.6625 ext. 246. Email: dlemons@ccny.cuny.edu

LOOKING AHEAD AT EB2006

Joel Michael, Joint Program Committee Representative of the APS Teaching Section, is requesting suggestions for a Teaching of Physiology Section Symposium Topic and a Feature Topic session (two sessions) to program for EB2006. He will bring your suggestions to the APS Joint Programming Committee meeting in San Diego. He needs your ideas by March 20.

Members who have not participated in Teaching of Physiology Section programming are really encouraged to give us proposals. We also encourage new Teaching Section members to participate in all activities and discussions of the steering committee. Contact Joel A. Michael, PhD, Department of Physiology, Rush Medical College, 1750 W. Harrison Street, Chicago, IL 60612-3824 Phone 312-942-6426 Fax: 312-942-8711 Email: jmichael@rush.edu

TEACHING WORKSHOP SATELLITE FOLLOWING IUPS/EB2005

Sixty-two educators from fourteen countries are registered for the IUPS Satellite Teaching Workshop. The workshop will take place at Pali Mountain in Running Springs, California beginning at noon on Thursday, April 7 and continuing until noon on Sunday, April 10, 2005, following the IUPS International Congress. The workshop will feature a program of active, hands-on engagement with current educational issues related to the teaching and learning of physiology. To learn more about the IUPS/EB2005 Teaching Workshop Satellite, see www.usd.edu/physiology

If you wish to subscribe to the APS Teaching Section listserv, logon to the Members Only Section of the APS Web Site www.The-APS.org and modify your list subscription status.
